

Thank you for choosing Jellybeans Afterschool Program!!! Our targeted age for the program is children in grades K-5. Jellybeans will transport your child from their school each day. There is no additional fee for this. When they arrive at Jellybeans we provide a snack and a drink and then we have homework time.

We emphasize education, so we provide a time each day to work on homework. We will assist children when they need help. All children have to show us their assignment sheet and homework before skating. If you prefer your child to do their homework at home, please let us know.
